Join the **REA Member Advisory Council**

runstoneelectric.com

What is the **Member Advisory Council**?

The Member Advisory Council is made up of three member representatives (individuals or couples) from each of Runestone Electric's seven districts. Appointed by the district director, council members meet four times each year to review and discuss co-op operations and current issues.

Please contact Runestone Electric or fill out the form to the right if you would like to participate in the Member Advisory Council.

Advisory Council members participate in the annual Coal Creek Tour *free of charge.*

Yes, I'm interested in being a part of the Member Advisory Council.
