This is to certify that I have reached the age of 80 (or over) and hereby request a one-time refund of capital credit patronage. I understand that the power supply capital credits of members whose distribution capital credits have been retired at age 80 shall not be redeemed if the power supplier has not redeemed them in cash prior to the retirement of capital credits to those members who have reached the age of 80. As consideration for the redemption of the distribution capital credits, I assign the power supply capital credits of the member who has reached the age of 80 to Runestone Electric Association.
