

Notice of Residential Customer Rights and Possible Assistance

Important Fuel Assistance, Cold Weather Rule and Disconnect Policy Information

This notice informs you of your rights and responsibilities under the Cold Weather Rule. They are designed to help you with high winter electric bills. You must act **PROMPTLY**. If you choose not to assert your rights or choose not to enter a mutually acceptable payment plan, your service may be disconnected.

An electric cooperative must not disconnect and must reconnect the utility service of a residential customer during the period between October 1 and April 30 if the disconnection affects the primary heat source for the residential unit and all the following conditions are met:

- (1) The household income of the customer is at or below 50 percent of the state median household income. Income verification can be obtained on the Income Verification Form (reverse side of this form) or obtained from the local energy assistance provider. A customer is deemed to meet the income requirements of this clause if the customer receives any form of public assistance, including energy assistance, that uses an income eligibility threshold set at or below 50 percent of the state median household income;
- (2) A customer enters into and makes reasonably timely payments under a payment agreement that considers the financial resources of the household and
- (3) A customer receives referrals to energy assistance, weatherization, conservation, or other programs likely to reduce the customer's energy bills.

If a residential customer must be involuntarily disconnected for failure to comply with the above, the disconnection will not occur: (1) On a Friday, unless you decline to enter into a payment agreement offered that day in person or by personal contact. (2) On a weekend, holiday, or the day before a holiday; (3) When the utility offices are closed; (4) After the close of business on a day when disconnection is permitted, unless a field representative who is authorized to enter into a payment agreement, accept payment and continue service, offers payment agreements. (5) Until at least twenty (20) days after the postmark on the notice to disconnect or until fifteen (15) days after the notice and information has been personally delivered.

Prior to the disconnection of service, a customer has the **RIGHT** to appeal the disconnection of service to the Runestone Electric Association Board of Directors. If you choose to appeal, you must deliver or mail a personal letter stating your situation and issues in dispute. Your letter must be in our hands before the date of disconnection. You will be notified when the Board of Directors will review your appeal and you may be present at the review. No disconnection of service will take place during the appeal process.
